

## GPN RISP AI Training Session 8 – Reference Guide

### Why Community Engagement Matters

Community drives retention and duplication. When members feel supported, encouraged, and seen, they stay active and take consistent action. AI makes it easy to create quick, warm messages that keep your Success Circle and the GPN Community engaged.

### How to Use These Prompts

Copy these prompts into ChatGPT or other LLM. They will generate warm, natural, human messages you can personalize before posting inside your Success Circle or the GPN Community.
