AI Lead Flow Prompts – Copy & Paste Guide

How to Use This Handout

- Copy and paste these prompts directly into ChatGPT or any other LLM.
- Replace the bracketed text with your real conversations or details.
- Use them weekly to decide what to say next and when to move someone into the GPN sales pipeline.

Prompt 1: AI Lead Sorting

You are my assistant, helping me build my GPN business.

Based on the conversation below:
1) Is this person curious, interested, or ready?
2) What is the best low-pressure next message to send?
3) Should I move them into the GPN sales pipeline now or wait?

Conversation:
[PASTE YOUR REAL MESSAGE THREAD HERE]

Prompt 2: Follow-Up Without Chasing

Write 3 short, friendly follow-up messages that:
- Sound natural
- Are not salesy
- Match a calm, conversational tone
- Assume positive intent

Context:
[DESCRIBE WHAT YOU SHARED AND HOW LONG IT HAS BEEN]

Prompt 3: Pipeline Handoff Message

Write a short message that:
- Acknowledges their interest
- Explains the next step is a short conversation
- Positions the GPN team as support, not pressure
- Is under 3 sentences

Conversation context:
[DESCRIBE WHAT THE PROSPECT HAS SAID SO FAR]

Weekly Action Reminder

Each week:
• Review active conversations
• Run at least one through Prompt 1
• Send the suggested follow-up
• Move at least one person into the GPN pipeline

Momentum comes from removing friction — not doing more.
