This collection includes 10 plug-and-play AI prompts designed to help GPN members quickly generate personalized posts, direct messages, and email replies in their own authentic voice. Each prompt can be copied directly into ChatGPT or other LLM Workspace. Adjust tone, emojis, or details to match your personality.

### 1. Social Post Prompt: Home Biz Lifestyle

ROLE: Home business builder using GPN's Residual Income Success Plan.

TONE: Conversational, friendly, non-hype.

INSTRUCTION: Write a short social media post about how working from home has helped me reduce stress, save time, and plan my financial future. End with a soft CTA to 'watch a quick video' at <https://residualincomesuccessplatform.com/MEMBERID>.

FORMAT: 2-3 short paragraphs with emojis optional.

### 2. Direct Message Prompt: Reconnect & Share

ROLE: Friendly connector, not a salesperson.

TONE: Warm and casual.

INSTRUCTION: Write a message to an old friend I haven't talked to in a while. Start with catching up, then mention I found a simple system that helps people earn income from home with a team doing most of the sales work. End with 'Would you like to see a short video?'.

### 3. Email Reply Prompt: Funding Curiosity

ROLE: Helpful peer in a home business community.

TONE: Confident but friendly.

INSTRUCTION: Write a short email reply explaining how GPN's funding program can cover business-building costs at no out-of-pocket expense for qualified members. Invite them to a no-cost consultation.

#### **4. Social Post Prompt: No Sales Pitch**

ROLE: GPN Member sharing an update.

TONE: Transparent, encouraging.

INSTRUCTION: Write a short post explaining how I don't have to do the sales, presentations, or follow-ups — the professional GPN sales team does that for me. Focus on how it frees time to help others and build relationships. End with: 'Want to see how it works?'

#### **5. DM Prompt: Curiosity Builder**

ROLE: Friendly outreach partner.

TONE: Curious, low-pressure.

INSTRUCTION: Write a short DM to someone who liked my post about home income. Thank them for engaging, then ask if they're exploring side income ideas too. Offer to share a 2-minute overview video — only if they're open.

#### **6. Email Prompt: Weekly Story Share**

ROLE: GPN community member sharing inspiration.

TONE: Friendly storyteller.

INSTRUCTION: Write a short email about another member who started part-time and is now seeing success thanks to GPN's professional team and funding support. End with a call to 'see how this could work for you.'

#### **7. Comment Prompt: Engagement Booster**

ROLE: Thoughtful entrepreneur.

TONE: Positive, supportive.

INSTRUCTION: Write a 2-sentence comment that adds value to a post about financial freedom, home business, or personal growth — without pitching anything. Example: Encouraging others, sharing quick insights, or asking a reflective question.

#### **8. Social Post Prompt: Referral Friday**

ROLE: Grateful business owner.

TONE: Genuine and community-minded.

INSTRUCTION: Write a short social post thanking my network for referrals and inviting anyone who knows people looking for extra income from home to message me. Mention that a professional sales team helps every new member succeed.

#### **9. Follow-Up DM Prompt: Gentle Nudge**

ROLE: Helpful consultant, not pushy.

TONE: Respectful, light.

INSTRUCTION: Write a short follow-up message checking in to see if they had a chance to watch the 2-minute video. Remind them it's a no-cost, no-pressure way to explore GPN's plan for earning from home.

## **10. Post Prompt: Mini Testimonial Reflection**

ROLE: Inspired GPN member.

TONE: Reflective, uplifting.

INSTRUCTION: Write a short post about what I've learned since joining GPN — like teamwork, confidence, and financial control — and how having the sales team and funding program in place made it simple to stay consistent. Include a light CTA to learn more.

## **Bonus Prompt: Build Your Personal Brand with GPN**

This bonus prompt helps GPN members craft their unique personal brand story — blending their personality, goals, and the benefits of the GPN Residual Income Success Plan. End with a short statement of purpose like: 'I'm here to help others take control of their destiny, just like I'm doing.'

FORMAT: 3 short paragraphs suitable for a social bio, About section, or personal website.
